

Beaverton High School Bands & Ensembles

My name is _____ and I am a member of the Beaverton High School Bands & Ensembles program. This spring we are attending the Heritage Music Festival in Honolulu, Hawaii! I am working hard to raise funds so I can participate in this exciting opportunity.

I will be back in your neighborhood on _____ to collect any empty pop cans or bottles that you might like to donate to help me meet my fundraising goal. Just leave them on your front porch or curb with this flyer or the word BAND on the bags and I will pick them up!

As you may know, it can be very expensive to participate in High School activities and sports. Competing in the band program helps us develop skills that will last throughout our lives. Programs like these are not possible without the consistent support of our community, neighbors, family, and friends. You can learn more about our program at www.bhsbe.org.

Thank you in advance for any donation you might leave. Every donation makes a huge difference!
